

He Cried

The Shangri-Las

i met him at the place where we always meet
he put his arms around me he smiled

and when i tol dhim i didn't love him anymore he cried
and when i told him his kisses were not like before
he cried
i knoew that our romance was over and done
but for him it had just begun
and when i told him another boy had caught my eye
he cried

and when i kissed him a kiss that only meant goodbye
he cried
