

In Holy Matrimony

The Spinners

Sweet baby, my queen
You are the girl of my dreams
You are the one that I prayed for
And on this day
I pledge my love, I pledge my life to you
I will be yours until the end of time

I don't, I don't know what I'd do without you
So I guess that it's best that we do
What, what we need to do
To make this love last forever
Whoa, now I don't know where this journey
May lead us just long as I'm by your side
Day and night
Growing old with you

In holy matrimony
I will vow to you only
Even at our most challenging day
I'll never turn away
In holy matrimony
We've got on our side, we'll never be lonely
Two hearts as one, it's only begun
We're here to celebrate this special day
In holy matrimony

You are the light of my life
You're my prize, my only desire
You inspire me to [?]
So take my hand, let's stand, oh

In holy matrimony
I will vow to you only
Even at our most challenging day
I'll never turn away
In holy matrimony
We've got on our side, we'll never be lonely
Two hearts as one, it's only begun
We're here to celebrate this special day
In holy matrimony

Now it's me and you against the world
Baby, I love you, I love you
I love you, I love you
I really do
I love you baby
