

Don't Go Out Tonight?

The Stanley Brothers

Now don't go out tonight little darling
Do not leave me here alone
Stay at home with me my darling
I'm so lonesome while you're gone

I hear a knockin' at my door
And a footstep on the floor
Now they're bringin' home my darling
Here he lies drunk upon the floor

Now he's dying yes he's dying
Soon I'll be left all alone
I pray that God's warm tender mercy
Will save him from a drunkard's doom
