

# Don't Step Over An Old Love

The Stanley Brothers

All the things that we have done together  
All the joys and sorrows that we've shared  
Made me feel our love would last forever  
Now I know you never really cared

Don't step over an old love  
To get somebody new  
Don't step over an old love  
Who always has been true to you

When my back was turned he caught your fancy  
And he turned an innocent affair  
Into something more than just a friendship  
While my dreams all crumbled in despair

Now you think you're happy with your new love  
You don't think he's been untrue to you  
Wait until you hear the whole town talking  
Than you'll feel these heartaches like I do
