

# Atlanta Blue

The Statler Brothers

I'm dreamin' of you  
And that makes me  
Atlanta blue, blue, blue

Just a name I remember  
Just someone I used to know  
Someone I never quite got over  
A long long time ago

I'm Atlanta blue  
Wishin' I could be with you  
Summertime in Georgia  
I'm dreamin' of you  
And that makes me  
Atlanta blue, blue, blue

Don't wipe away my memories  
By makin' all my dreams come true  
The way it was always seems better  
So, let me keep on missin' you

I'm Atlanta blue  
Wishin' I could be with you  
Summertime in Georgia  
I'm dreamin' of you  
And that makes me  
Atlanta blue, blue, blue

And that makes me  
Atlanta blue
