

I Still Miss Someone

The Statler Brothers

I still miss someone
At my door the leaves are falling
A cold wild wind will come
Sweethearts walk by together
And I still miss someone

I go out on a party
And look for a little fun
But I find a darkened corner
For I still miss someone

Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

And I wonder if she's sorry
For leaving what we'd begun
But there's someone for me somewhere
And I still miss someone
I still miss someone
