

Too Much On My Heart

The Statler Brothers

You're having second thoughts
I can tell by the way you look at me
I can tell by what I see
That you no longer believe in me

I'm havin' bad dreams can't seem to get back
To where we used to be
Sometimes it feels like we're worlds apart
And I've got too much on my heart

I've got too much on my heart
And I don't like to feel the pain
And I don't know where to start
To make you love me once again

I don't have time to make you understand
Lord this thing is gettin' out of hand
Pain shoots through me like a dart
And I've got too much on my heart

Don't be so cold to me
I know you've changed but it's still hard for me
It's too late I realize
I can see it in your distant eyes

You needed all of me
But I can't be there like I used to be
And Lord, it's tearin' me apart
'Cause I got too much on my heart

I've got too much on my heart
And I don't like to feel the pain
And I don't know where to start
To make you love me once again

I don't have time to make you understand
Lord this thing is gettin' out of hand
Pain shoots through me like a dart
And I've got too much on my heart
