I Do It So Well

The Struts

I been talking shit almost every single day
Walking down the streets of sandy LA
Watch me now, walk, talk, grooving round the corner
Hello, I work harder than a sauna

I been flying high almost every single day
Pushing all my luck it's goin' my way
Kiss me now, turns and slide it into place
Say hello, sweetheart picking up the paces

Oh! Woo!
Why don't you bring it, come and bring it, come and ring my bell
Why don't you bring it, come and bring it, come and bring me hell
Don't I do it so well?
I do it so well
Don't I do it so well?
Uh-oh
Yeah, you're my honey, you're my honey, you're my honey bell
Yeah, I'ma saw you, I'ma saw, I'ma saw a hotel
Don't I do it so well?
I do it so well
Don't I do it so well?
Uh-honey

Yeah, fiver in my pocket but I'm dressed like a king
Rocking and rolling so hard I broke a string
Call me now, tears are splashing off the pavements
Hello, big beats banging in the basement

I been flying high almost every single day
Pushing all my luck it's going my way
Kiss me now, turns and slide it into place
Say hello, sweetheart picking up the paces

Oh! Woo!
Why don't you bring it, come and bring it, come and ring my bell
Why don't you bring it, come and bring it, come and bring me hell
Don't I do it so well?
I do it so well
Don't I do it so well?
Uh-oh
Yeah, you're my honey, you're my honey, you're my honey bell
Yeah, I'ma saw you, I'ma saw, I'ma saw a hotel
Don't I do it so well?
I do it so well
Don't I do it so well?
Uh-honey

We're steadily running, we're hitched, now
We're looking over the edge
It might be all in our hands, now
Walk with me baby

Oh! Woo!
Why don't you bring it, come and bring it, come and ring my bell
Why don't you bring it, come and bring it, come and bring me hell
Don't I do it so well?

```

Don't I do it so well?
