Right To Go

The Style Council

If we don't move, the move's our last We deprive ourselves of our only chance Now once and for all, the right must go Now all for one, register to vote

It's a chance to show, that you can't be bought Whatever you think, whatever you thought You've got the choice for what it's worth You know a third terms gonna cut the earth

Disregard the cost is the party line A nation filled with apathy suits fine To be unemployed and stay alive No Tory's gonna tell you one in five

One in five or one in three
The difference is they don't lose no sleep
Now once and for all the right must go
Now all for one, register to vote

The power that you need is in your hands Or a one party state is how we'll stand Every vote wasted is our hopes lost Make it your decision and your cross

X marks the spot that could change your lives Every vote cast for a better time Now once and for all the right must go Now one for all, register to vote
