

Sometimes when life seems gets too tough  
I guess I don't act to cool  
I lose my head and I mess things up like a fool

But you, you never put me down  
You understand and you care  
Trough thick and thin, good and bad times, oh baby  
You're always there

Jenny, Jenny  
Jenny, I'm glad, you're mine  
Right or wrong, I'm a hero in your eyes  
Jenny, Jenny  
God was good to me when he let you be my Jenny

When people ask about you  
I have no words to discribe  
Just what you are  
Except that you are my whole life

I know I'm such a lucky guy  
Sometimes It's hard to believe  
Mo matter how much I hurt you  
You never stopped lovin me

Jenny, Jenny  
Jenny, I'm glad, you're mine  
Right or wrong, I'm a hero in your eyes  
Jenny, Jenny  
God was good to me when he let you be my Jenny

Jenny, Jenny
