All I Know About You

The Supremes

Baby, I know all about you I heard long ago about you They say you're mighty fast You've got a wicked past Ooo, all I know about you.

You'll never get my heart Won't be upsetting my heart I'll never treat you, won't I'm just too well in bond Ooo, all I know about you.

And if you think that you can steal my heart a word Why don't you try, I dare you to try If you play you're gonna lose the game 'Cause I will never take my guard away Come on and try Though I'm nice I'll be cold as ice Cause I know all about you.

Baby, I know all about you There's nothing slow about you Kiss me and then you'll see Wonder within of me Ooo, all I know about you.

Baby, I'm mad about you
I'm so glad about you
One little kiss and wow
I'm a believer now
Ooo, all I know about you, babe.

I'm so wild about you
I feel like a child about you
It felt like this before
I want to kiss ya more
Ooo, all I know about you, babe.

I know all about you
And I like what I know about you
One little kiss and wow
I'm a believer now
Ooo, all I know about you.
