

# I've Passed This Way Before

The Temptations

Life lands a freshening blow  
And once again our heart is broken  
And as history repeats itself  
These few words are sadly spoken

I've passed this way before  
I've felt this pain before  
A hurt that took so long to end  
Has found my poor heart again

As I watch love walking away  
It brings back old memories  
A familiar pain still feels the same  
Once again, heartache has found me

A dark cloud covered my heart  
Oh, when she told me goodbye  
Now there's nothing left but emptiness  
And the tears that fill my crying eyes

I've passed this way before  
I've felt this pain before  
A hurt that took so long to end  
Has found my poor heart again

No matter how strong a man is  
Without a love he walks in the dark, baby  
If love deserts him, it would surely hurt him  
'Cause his weakness is his heart

A lonely journey now stands before me  
The endless pain has started  
But this time I know the way  
Walking alone and broken hearted

Because I've passed this way before  
And I've felt this pain before  
A hurt that took so long to end  
Has found my poor heart again

I've passed this way before  
I've felt this pain before  
A hurt that took
