

(Loneliness Made Me Realize) It's You That I Need

The Temptations

Ooh, lonely man in my eye
Ever since you said goodbye
Girl I know that I should have woke up
'Cuz I see ya now that we've broke up

Your farewell kiss is haunting me
My tootin' lips cry out constantly
Let your heart, let your heart be your guide
Forget about your foolish pride

Starting tomorrow I keep telling myself
I'm gonna get out and find somebody else
Somebody that's sweet and kind
Who will erase you out of my mind

But tell me how could I find somebody new baby
When my two arms keep reaching out for you
And my two lips keep right on repeating
It's you that I need, ohh

You know that even when I close my eyes to forget ya
I see your face and your memories too
Girl I've never felt this loneliness before
And hoo, girl I just can't take it anymore

Every night a million tears I shed, girl
Next morning goin' out of my head
Just take a good look and you'll see
What this loneliness is doin' to me

Uh baby, it's you that need
Ooh
Don't you know that it's you that I need
Baby oh, I can't take this loneliness
It's you that I need
Aww baby I need ya
It's you that I need
Ooh
I need you, baby

Some fool I'm gonna be no more
'Cuz I'll soon be knockin' knocks on your door
Gonna get down on my bendin' knees
Daddy please girl come back to me

It's you that I need
(Ever night a million tears I shed)
Girl it's you that I need
(Every morning goin' out of my head)
Girl take a good look and you'll see a
What does this loneliness
