## The Way You Do The Things You Do

## **The Temptations**

You've got a smile so bright You know you could have been a candle I'm holding you so tight You know you could have been a handle

The way you swept me off my feet You know you could have been a broom The way you smelled so sweet You know you could have been some perfume

Well, you could have been anything that you wanted to And I can tell the way you do the things you do Ah baby (The way you do the things you do) (The way you do the things you do)

As pretty as you are You know you could have been a flower If good looks was a minute You know that you could be an hour

The way you stole my heart You know you could have been a cool crook And baby, you're so smart You know you could have been a schoolbook

Well, you could have been anything that you wanted to And I can tell the way you do the things you do (The way you do the things you do) Ah, baby (The way you do the things you do) Yeah

You made my life so rich You know you could have been some money And baby, you're so sweet You know you could have been some honey

Well, you could have been anything that you wanted to And I can tell the way you do the things you do (The way you do the things you do)

You really swept me off my feet (The way you do the things you do) You made my life complete (The way you do the things you do)

You made my life so bright (The way you do the things you do) You make me feel all right (The way you do the things you do)

You make me feel all right (The way you do the things you do)
