

Then

The Temptations

If Columbus never sailed the sea
If Longfellow never wrote a rhyme
If leaves have never grown upon a tree
And if the sands have never told the time

Then I guess I don't love you
Love you like I do
Then I guess I'll have to
find me someone new
Then I guess this love I feel
couldn't possibly be real

If Beethoven never wrote a song
And if Shakespeare never wrote a play
If a man has never done a wrong
And if night has never followed day
Then I guess I don't love you
Love you like I do

Then I guess I'll have to
find me someone new
Then I guess this love for you
couldn't possibly be true
If high is low
And up is down

And if love is not considered an emotion
If yes is no
And square is round
And if waves had never rode across the ocean
If Michaelangelo could never paint
And if Jezebel was a saint

Then I guess I don't love you
Love you like I do
Then I guess I'll have to
find me someone new
Then I guess this love is wrong
couldn't possibly be strong

Then I don't love you
Love you like I do
Then I guess I'll have to
find me someone new
Then I guess this love I feel...
