## The Tremeloes

Hello buddy I can see how you've been You've had all the luck that passed me by Hello buddy won't you bring me on in Cut me off a piece of your pie Hello buddy it's a shame and a sin Making all that money on your own Hello buddy don't you know your old friend Standing on the doorsteps all alone Hello buddy, just let me Try to tell you why (Why?) Hello buddy I didn't think you'd turn a blind (Eve) Hello buddy well my woman has gone Left me gone away without a word Hello buddy don't you think it was wrong Tell me it's the worst thing that you've heard Hello buddy, just let me Try to tell you why (Why?) Hello buddy I didn't think you'd turn a blind (Eye) Hello buddy, just let me Try to tell you why (Why?) Hello buddy I didn't think you'd turn a blind (Eye) Hello buddy I can see how you've been You've had all the luck that passed me by Hello buddy won't you bring me on in Cut me off a piece of your pie Hello buddy Hello buddy
