

## Crazy Annie

The Troggs

Hot legs, hot pants  
Crazy Annie and her devil dance  
Young man, stay cool tonight

Move close, move in  
She'll take you places where you've never been  
Young man, get lucky tonight

When she moves out on the floor  
She lets you know what her body's for  
One look, you've gotta have more, she's got it all  
One time, when she danced with me  
Like a fool too blind to see  
What you want, well I had it for free before the fall

High heels, tight pants  
Crazy Annie and her devil dance  
Young boy, get lucky tonight

She got you Annie, she got you Annie, she gotcha  
She got you Annie (She got she got she got)  
She got you Annie (She got she got she got)  
She got you Annie (She got she got she gotcha)

When she moves out on the floor  
She lets you know what her body's for  
One look and you've gotta have more, she's got it all  
Was a time, when she danced with me  
Like a fool too blind to see  
What you want, I had it for free before the fall

Hot legs, last chance  
Crazy Annie and her devil dance  
Young man, stay cool tonight

Move close, move in  
She'll take you places where you've never been  
Young man, stay lucky tonight

She got you Annie (She got she got she got)  
She got you Annie (She got she got she got)  
She got you Annie (She got she got she got) She gotcha  
She got you Annie (She got she got she got)  
She got you Annie (She got she got she got)
