

# Come Back

The Turtles

I dried my eyes and walked away  
You told me that I couldn't stay  
I didn't love you anyway  
Who am I foolin', foolin', foolin', foolin'?

Girl, I want you  
Girl, I love you  
Girl, I'm dying  
Thinking of you  
Come back (Come back)  
Come back (Come back)  
Come back (Come back)

Said goodbye, what could I do?  
Couldn't believe that we were through  
I'll just go find somebody new  
I must be crazy, crazy, crazy, crazy

Girl, I want you  
Girl, I love you  
Girl, I'm dying  
Thinking of you  
Come back (Come back)  
Come back (Come back)  
Come back (Come back)

I can't bear to be alone (Ahhh)  
And far away from you forever (Forever, forever)  
I can't bear to understand (Ahhh)  
That I can be beside you never (Never, never)

Come back to me (Come back to me)  
Ah, girl you'll see (Then, girl you'll see)  
How true a love  
Like mine can be

I'll bear my heartbreak like a man  
I'll hold my head high as I can  
I'll cry and try to understand  
See how I'm begging, begging, begging, begging

Girl, I want you  
Girl, I love you  
Girl, I'm dying  
Thinking of you  
Come back (Come back)  
Come back (Come back)  
Come back (Come back)  
Come back (Come back)  
Come ba-ah-ah-ah-ack
