

Nobody Wants to Be Here and Nobody Wants to Leave

The Twilight Sad

Can we go back?

Can we go back?

Can we go back?

I will keep you here

I will keep you long

I will keep you here

Can you stay tomorrow?

You won't leave tomorrow

I don't know where it all went wrong

And I will keep you here

And I will keep you long

And I will keep you here

You always say you won

You always say you won

You always say you won

Can you stay tomorrow?

You won't leave tomorrow

I don't know where it all went wrong

So live with me alone

Stay with me alone

And wait with me alone

And stay with me alone

Can we go back?

Can we go back?

Can we go back?

Can you stay tomorrow?

You won't leave tomorrow

I don't know where it all went wrong

And I don't know where it all went wrong

And I don't know where it all went wrong

And I don't know where it all went wrong

And I don't know where it all went wrong
