

## Hannah Doot

### The Undertones

Lets sit down and talk about your life  
Hannah Doot - Hannah Doot  
And tell me why the tears are in your eyes  
Hannah Doot - Hannah Doot

She's crying - I'm trying  
Not to feel so sad  
But its time to say goodbye  
Its time to say goodbye

Things are always what you hoped they are  
Hannah Doot - Hannah Doot  
You soon find you're in a position pushed too far  
Hannah Doot - Hannah Doot

She's crying ..

There's nothing in your head to tell you why  
Hannah Doot - Hannah Doot  
Cos nothing's every happened in your life  
Hannah Doot - Hannah Doot

She's crying ..

So Lets sit down and talk about your life  
Hannah Doot
