

Jimmy Jimmy

The Undertones

Little mummy's boy
He wasn't very old
Though he was very small
He did what he was told

Jimmy Jimmy
Jimmy Jimmy - Oooh
Jimmy Jimmy
Poor little Jimmy wouldn't let go

He'd stay awake at night
Lying in his bed
No one ever listened
To a single word he said

Jimmy Jimmy ...

Silly boy
Silly boy
Silly boy
Such a silly boy

Jimmy Jimmy ...

Now little Jimmy's gone
He disappeared one day
But no one saw the ambulance
That took little Jim away
