

# One Way Love

The Undertones

She's got so hard to talk to  
Though he can't forget her name  
She's some to hold on to  
But he's not whose to blame

One way love - one way love  
One way love - one way love  
One way love - one way love  
Getting so tired of - one way love

She wishes he was older  
Then she wouldn't feel so bad  
She knows she has to tell him  
Even though it'll make him sad

One way love ...

She know she doesn't love him  
And there's nothing he can do  
She knows she has to tell him  
She has to say they're through

One way love
