

## Evacuatin' Somethin' Warm

The Unicorns

something warm would be something nice  
to keep me from moaning in the morning  
and mourning through the night

take your things from my house  
evacuate my life  
it's over  
rescind

everything's okay in its own little way

clap your hands  
clap your hands  
clap your hands  
if you want some

clap your hands  
clap your hands  
clap your hands  
if you can't wait
