

The Unicorns: 2014

The Unicorns

Tomorrow is 2014
When I'll be 32
And we'll be 13
But will there be enough room for me?
Enough oxygen, for me to breathe

Oh yeah oh yeah

I looked in into my crystal ball
See gummies in the sunny
Riding moonbeams into money
But they're the guilty phase
Gluttony just doesn't pay
So volunteer your journey
It's good publicity

Da da da da da da da

In full force
In full stride
Side by side 'till 2025

In full force
In full stride
Side by side 'till 2025
Lie lie lie lie lie lie lie lie lie...
