

Urban Struggle

The Vandals

I want to be a Cowboy
I got to be a Cowboy
I'm born to be a Cowboy
I want to be a Cowboy
A Cowboy! Uh-huh
Tonight we're taking my fast car
Were gonna go down to the Cowboy bar
I'm gonna wait till the club is full
and I'm gonna ride the mechanical bull
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true Cowboy was my fate
I can't help it if I was born late
All the Cowgirls in their Stetson hats
and their tight fitting jeans so they don't
look fat
We'll all be listening to the Cowboy tunes
and stomp around like a bunch of goons
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true cowboy was my fate
I can't help it if I was born late
We're all OD'd on the Olden West
seein' who's Cowboy clothes look the
best
I can ride that phony bull so damn good
Sometimes I think I'm Clint Eastwood
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true cowboy was my fate
I can't help it if I was born late
I know I'm a Cowboy deep inside
My hat band's made out of synthetic
rattle snake hide
After a couple shit kickin' Cowboy movies
I'll check out the Cowboy scene down at
Zubie's
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true cowboy was my fate
I can't help it if I was born late
Find out who all fights the best
We start fights with them punks at the
Cuckoo's Nest
Those damn punks are crazy (though)
and meaner than a bull at a rodeo
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true cowboy was my fate
I can't help it if I was born late
You call me an Urban clone of course
A big deal if I'm afraid to ride a horse

With a broken nose and a fucked up knee
Maybe this Cowboy scene just ain't for
me
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true cowboy was my fate
I can't help it if I was born late
Yee Haw
Cowboy look is the one I sought
Can't change now cause the clothes are
bought
To be a true cowboy was my fate
I can't help it if I was born late
(I couldn't make it as a Punker)
