

Nothing Wrong

The Wannadies

A pretty please and a thanks
Maybe a kiss and a dance
I feel so good when you're bad
I know you like it like that
Baby i know you're dying
(to. see...)
You show me yours i'll show mine
Surely that's not a crime
Although you'd like it like that
There's something good in me (oh yeah, oh yeah)
Another side of me (oh yeah, oh yeah)
Somebody stop me now
Somebody help me out
There's nothing wrong with me (oh yeah, oh yeah)
I'm not the enemy (oh yeah, oh yeah)
Somebody stop me now
Somebody help me out
Come on now do it to me
Second to none for free
Inside and out
Front to back
I know you like it like that
You're such a devious thing
A most poisonous fling
Take me to hell and back
I know you like it like that
There's something good in me (oh yeah, oh yeah)
Another side of me (oh yeah, oh yeah)
Somebody stop me now ooo
Somebody help me out
There's nothing wrong with me (oh yeah, oh yeah)
I'm not the enemy (oh yeah, oh yeah)
Somebody stop me now oooo
Somebody help me out
There's something good in me (oh yeah, oh yeah)
Another side of me (oh yeah, oh yeah)
Somebody stop me now ooo
Somebody help me out
There's nothing wrong with me (oh yeah, oh yeah)
I'm not the enemy (oh yeah, oh yeah)
Somebody stop me now oooo
Somebody help me out
