

Angel

The Weeknd

Angel, oh oh oh oh
Knew you were special from the moment I saw you, I saw you, yeah
I said angel, oh oh oh oh
I feel you're closer every time I call you, I call you

Cause all I see are wings, I can see your wings
But I know what I am and the life I live, yeah, the life I live
And even though I sin, maybe we are born to live
But I know time will tell if we're meant for this, yeah if we're meant for this

And if we're not, I hope you find somebody
I hope you find somebody, I hope you find somebody
I hope you find somebody to love, somebody to love
Somebody to love, yeah, yeah, yeah

Said angel, woah oh oh oh
You'll probably never take me back and I know this, yeah I know this, aw man
I said angel, woah oh oh oh
I'm so desensitized to feeling these emotions, yeah, no emotions baby

Cause all I see are wings, I can see your wings
But I know what I am and the life I live, yeah, the life I live
And even though I sin, we are born to live
But I know time will tell if we're meant for this, yeah if we're meant for this

And if we're not, hope you find somebody
I hope you find somebody, I hope you find somebody
I hope you find somebody to love, somebody to love
Somebody to love, yeah, yeah, yeah

And even though we live inside
A dangerously empty life
You always seem to bring the light
You always seem to bring the light
And even though we live inside
A dangerously empty life
You always seem to bring me light
You always seem to bring me light

I hope you find somebody
I hope you find somebody, I hope you find somebody
I hope you find somebody to love, somebody to love
Somebody to love, yeah, yeah, yeah, oh
I hope you find somebody
I hope you find somebody, I hope you find somebody
I hope you find somebody to love, somebody to love
Somebody to love, yeah, yeah, yeah, oh
I hope you find somebody
I hope you find somebody, I hope you find somebody
I hope you find somebody to love, somebody to love
Somebody to love, yeah, yeah, yeah, oh

Ooh somebody baby, I hope you find somebody
I hope you find somebody, I hope you find somebody baby
Somebody to love, somebody to love

Yeah, yeah, yeah
