My cousin said I made it big and it's unusual She tried to take a selfie at my Grandma's funeral Used to roam on Queen, now I sing Queen street anthems Used to hate attention, now I pull up in that wagon And I was broken, I was broken, I was so broke I used to roam around the town when I was homeless Me and Lamar would rob a nigga for his Jordans And flip it just to get these hoes another nose fix Now we get faded when we want, girl, we got choices Lay them on the fuckin' table, we got choices And if they wanna fuck my niggas, they got choices They told me not to fall in love, that shit is pointless Yeah, that shit is pointless They told me not to fall in love, that shit is pointless Yeah, that shit is pointless They told me not to fall in love, that shit is pointless They told me not to fall in love, that shit is pointless

Go tell your friends about it (About it) Go tell your friends about it (About it) Go tell 'em what you know, what you seen How I roll, how I be on the low Go tell your friends about it (About it) Go tell your friends about it I'm that nigga with the hair Singin' 'bout poppin' pills, fuckin' bitches, livin' life so trill
