

## Jitterbug Love

The Wood Brothers

I heard that the devil was an idea made up by man  
A long time after Jesus lived to keep us from misbehavin'  
They stole his horns and cloven hooves from an old God named Pa  
n  
When he blew his pipes you had to dance cause everything got wi  
ld

I'm crazy for you, I'm crazy for you  
There's a kingdom in my mind where I find you all the time  
I'm crazy for you, I'm crazy for you  
And I hope that you are crazy for me too

It's hidden in the scriptures, so clear in the songs of the bir  
ds  
When I stumble on the truth I forget everything I've learned  
I listen to the story teller, he doesn't know what he's talking  
about  
He's here to stay between my ears, I'll never get him out

I'm crazy for you, I'm crazy for you  
There's a kingdom in my mind where I find you all the time  
I'm crazy for you, I'm crazy for you  
And I hope that you are crazy for me too

I heard that love is everywhere  
In every ripple in the sea  
So I dance for no good reason  
But to dive into the deep  
I try to let go of the story that keeps dragging me along  
Still I believe every single word even though I know it's wrong

I'm crazy for you, I'm crazy for you  
There's a kingdom in my mind where I find you all the time  
I'm crazy for you  
Crazy for you  
I'm crazy for you  
Crazy for you

And I hope that you are crazy for me too

Crazy for you
