

Laughin' Or Crying

The Wood Brothers

She said she saw crows kissin'
Underneath a rainbow in Brooklyn
If that's not good luck then what is it?
If you don't look up then you miss it

She says things like that all of the time
You can't tell if she's laughin' or cryin'
Me I don't think she's lyin'
Laughin' or cryin'

She said she saw a big fat rat in the subway
Carryin' the key to the city
If that's not just a curse then I'll be
There's some things you just can't unsee

She says things like that all of the time
You can't tell if she's laughin' or cryin'
Me I don't think she'd be lyin', laughin' or

Cryin'
Laughin' or cryin'
Laughin' or cryin'
Laughin' or cryin'

She said she saw an angel with a cigarette
Cursin' like a pirate while he's smokin' it
And if that's not just exquisite then what is it
If you don't look up then you miss it

She says stuff like that all of the time
You can't tell if she's laughin' or cryin'
Me I don't think she'd be lyin', laughin' or

Cryin'
Laughin' or cryin'
Laughin' or cryin'
Laughin' or cryin'

Laughin' or cryin'
Laughin' or cryin'
Laughin' or cryin'
Laughin' or cryin'

Laughin' or cryin'
Laughin' or cryin'
Laughin' or cryin'
Laughin' or cryin'
