

I'M SORRY YOU'RE SORRY NOW

The Word Alive

I'm the one to blame
(I'm sorry you're sorry now)
All I feel is shame
(I'm sorry you're sorry now)

Wish I could turn back time, I'd block out all those friends of mine
That got inside my head
Instead I'm laying here regretting how I made you feel
With all the words I said

But it feels like too little too late
Maybe I deserve to feel this way
Yeah I know it's a little too late
You don't deserve to feel this way

The only thing you said...
"I'm sorry you're sorry now"

I'm the one to blame
(I'm sorry you're sorry now)
All I feel is shame
(I'm sorry you're sorry now)
Everything I want, everything I need
Rebuild all of me
If you could understand I was a broken man
Rebuild all of me

You're feelin justified and deep inside I know you're right
How did I end up here?
'Cause now I'm questioning, clearly something's missing from
What I see in the mirror

But it feels like too little too late
Maybe I deserve to feel this way
Yeah I know it's a little too late
You don't deserve to feel this way

I'm the one to blame
(I'm sorry you're sorry now)
All I feel is shame
(I'm sorry you're sorry now)
Everything I want, everything I need
Rebuild all of me
If you could understand I was a broken man
Rebuild all of me

I'm the one to blame
(I'm sorry you're sorry now)
All I feel is shame
(I'm sorry you're sorry now)
Everything I want, everything I need
Rebuild all of me
If you could understand I was a broken man
Rebuild all of me
Everything I want, everything I need
Rebuild all of me
If you could understand I was a broken man

Rebuild all of me
