

Feels So Nice

The Wrecks

You said I look like a Stones song
I said baby I can fuck like one too
I can be anything that you want me to
I could be your bestfriend
And well I could be a whole more than that

You're like a Dylan song
Kinda perfect, kinda soft to the touch
Kinda patient, kinda good for my love
And I like that
Yeah, I like that

And it feels nice
It feels so good
When we're sneaking off into your bedroom
It feels nice
It feels so good
We can live just like this if you want to
It feels nice
It feels so good

You smile like you're hiding something
While you're dancing with the radio off
As I stand there thinking this might be love
Yeah this might be love
Oh I'd drive to California again with my broken down car
I would do anything, cause I wanna be where you are
Where ever you are

Cause it feels nice
It feels so good
When we're sneaking off into your bedroom
It feels nice
It feels so good
We can live just like this if you want to
It feels nice
It feels so good

Tell me, do you feel it?
Do you feel it?
Cause I feel it
Yeah I feel it

Cause it feels nice
It feels so good
When we're dancing around in your bedroom
It feels nice
It feels so good
We can live just like this if you want to
It feels nice
It feels so good
