```
You say hop and I'll hop,
You say stop and I'll stop,
You say come and I come,
Oh anything you say I'm like a hunk of clay.
I'm just like putty,
Putty in your hands ah-ah,
Well ah-ah.
With one wave of your hand,
I'm your slave to command,
But I'm glad it's OK,
Oh anything you say I'm like a hunk of clay.
I'm just like putty,
Putty in your hands ah-ah,
Well ah-ah.
You can stretch me until I'm ten feet tall,
Or cut me down to the size of a rubber ball.
You can use me, abuse me, but never remove me,
Without your love I ain't nothing at all.
Oh well ah.
They say I'm a fool,
'Cos you treat me so cruel,
But I'll go on this way.
Oh anything you say I'm like a hunk of clay.
I'm just like putty,
Putty in your hands ah-ah,
Oh ah-ah.
You can stretch me until I'm ten feet tall,
or cut me down to the size of a rubber ball.
You can use me, abuse me, but never refuse me,
Without your love I ain't nothing at all.
Oh well ah.
They say I'm a fool,
'Cos you treat me so cruel,
But I'll go on this way,
Oh anything you say I'm like a hunk of clay.
I'm just like putty,
Putty in your hands ah-ah,
Well ah-ah.
I'm just like putty,
Putty in your hands ah-ah,
Well ah-ah.
I'm just like putty,
Putty in your hands ah-ah,
```

Well ah-ah.
