

Stroll On

The Yardbirds

Strollin' on,
'Cause it's all gone,
The reason why.
You made me cry,

By tellin' me,
You didn't see.
The future bore,
Our love no more.

If you want to know,
I love you so,
And I don't want to let you go.
I'm strollin' on,

Gonna make you see.
I'm strollin' on,
You'll find you really love me.
I'm strollin' on,

Be your turn to cry.
I'm strollin' on,
You wish you'd never lied.
You're going to change your mind,

But you ain't gonna find,
Any more of my kind.
I'm strollin' on,
'Cause it's all gone,

The reason why.
You made me cry,
By tellin' me,
You didn't see.

The future bore,
Our lovin' no more.
If you want to know,
I love you so,

I don't want to let you go.
I'm strollin' on,
Gonna make you see.
I'm strollin' on,

You'll find you really love me.
I'm strollin' on,
Be your turn to cry.
I'm strollin' on,

You wish you'd never lied.
You're going to change your mind,
But you ain't gonna find,
Any more of my kind
