

## It's a Lovely Day

The Youngbloods

It's a lovely day  
Look at all the sunshine  
It's a lovely day  
Have a drink of moonshine  
Look at all our friends  
Soaking up the good times  
But today ain't half as lovely  
As it would be here with you

No no no  
No no no

It's a lovely day  
Friends to be together  
It's a lovely time  
Talk about the weather  
Have a drink of wine yeah  
Feel like a feather  
But today ain't half as lovely  
As it would be here with you  
No today ain't half as lovely  
As it would be here with you

Ever since  
The first day I met you honey  
I know you  
And I could learn to love  
Please don't let  
The hesitations get you  
C'mon darling our love needs to show

It's a lovely day  
Smiles on all our faces  
It's a lovely day  
Friendship leaves its traces  
Have a happy time yeah  
We found an oasis  
But today ain't half as lovely  
As it would be here with you

No no no  
No no no
