

## Sunlight

### The Youngbloods

Have you seen the sunlight pourin' through her hair  
Felt her warm mouth on you in the summer's air  
Runnin' in a field of brown  
Laughin', rollin' on the ground now  
Smilin' as she pulls you down  
That's the way she feels about you  
That's the way she feels about you

If your dreams can wake you screaming in the night  
She can touch your face and take away your fright  
Like a tree in the meadow wind  
She will bend to take you in now  
Makes no difference where you been  
That's the way she feels about you  
That's the way she feels about you

If you wake up screamin'  
Scared about what you're dreamin'  
You know she is there, she can share  
You're aware she cares about you

In the mornin' wake up laughing with the day  
She will smile and ask you with her eyes to stay  
Like the sunshine warms the sand  
She will touch you with her hands now  
Touchin' makes you understand  
That's the way she feels about you  
That's the way she feels about you

La la la la la la - la la la la la la

Like the sunlight warms the sand  
She will touch you with her hands now  
Touchin' makes you understand  
That's the way she feels about you  
That's the way she feels about you yeah  
That's the way she feels about you
