

The Beginning of the End

Theatres Des Vampires

Why am I here?!! I wish to com back.... .. But
a strange power calls to me from the abyss, I have
seen Macabria. I'm enchanted from this land
Strange inhabitants.... ancient rites... and
obscurity.....

Now I will make a choice... a choice of life &
death, will be a new sweet pleasure.. Or a
horrible end? But I think that my existence is
here... in this place where dreams & reality are
living together

I leave the mask that I put on everyday... now I
want to be free The soul leaves my body...
Macabria will be my new home..... I'm
dead!!!.....
