## The Biggest One

## **They Might Be Giants**

The water running down that pipe Looks like a snake to me By Doc's Sugar Bowl my coffee gets cold Because I don't want to see

That I've got no one to blame but my fat self I've got no one to blame but my fat self I'm the biggest one, I'm the biggest one I've got no one to blame but my fat self

Should have changed that stupid lock Should have thrown away the key No, no, not I, I will survive Right down here on my knees

'Cause I've got no one to blame but my fat self I've got no one to blame but my fat self I'm the biggest one, I'm the biggest one I've got no one to blame but my fat self
