Asmi Esmi

They seemed to hit it off

Till Romeo told the lonely girl

C# H B As F#

"I must take my leave, my love"

It was these few words I overheard

And thought, "I should move in"

But before I could

The lonely girl had fallen in love again

Sitting out on his own-ee-o

2. Romeo he had it rough

The guy you'd like to burn

But everything that Romeo had

You can bet it was well earned

For all his good looks there were scars that he took

And a lesson to be learned

Never judge lovers by a good looking covers

The story might be spurned

R: Oh poor Romeo...

3. Romeo he like to put it around

He was everybody's friend

But in the end even Romeo found

On no one could he depend

For all his charms in someone else's arms

Lonely girl safely lay

When the train pulled in it had to leave again

And Romeo pulled away

R: Oh poor Romeo

Sitting all on his own-ee-o

Oh poor Romeo

R: Oh poor Romeo...
