I'll take no lip 'cause no ones tougher than me  
**A** **G**  
If I kicked your face you'd soon be seeing double  
**A** **G**  
Hey little girl, keep your hands off me

**A C G**  
R: 'cause I'm a rocker

2. Down at the juke joint me and the boys were stompin'  
Bippin' an a boppin', telling a dirty joke or two  
In walked this chick and I knew she was up to something  
I kissed her right there out of the blue
3. I said "Hey baby, meet me I'm a tough guy"  
Got my cycle outside, you wanna try?  
She just looked at me and rolled them big eyes  
And said "Ooh I'd do anything for you 'cause you're a rocker"

R: 'cause I'm a rocker  
That's right I'm a rocker  
I'm a rocker  
I'm a rocker
