

Flesh And Blood

Thompson Twins

I'm seeing your face for the very first time
Seems so familiar to me
I'm hearing your voice after waiting so long
It's like waking up from a dream

Flesh, blood
Dance with gods above
Flesh of my flesh, blood of my blood
What shall I call you?
I'll call you love

I moved the heavens; I moved the earth
I made war with angels for all I was worth
I counted the ways; I counted the hours
I made love to demons; yeah, I was the power of

Flesh, blood
Dance with gods above
Flesh of my flesh, blood of my blood
What shall I call you?
I'll call you love

If all of my days and all of my nights
Just came to nothing there would still be a light
For I am of you and you are of me
Until the time that we are free of

Flesh, blood
Dance with gods above
Flesh of my flesh, blood of my blood
What shall I call you?
I'll call you love
I'll call you love
I'll call you
