

## Guts

Thomston

Felt obligated to stay  
Even though it kinda killed me inside  
You got the devil to pay  
So you know i gotta leave you behind (behind)

But loving you  
Was a moment of weakness  
Can't believe i was nothing for you  
Holding onto the feelings  
And feeling how can they be real?  
When you'd lie through your teeth  
Just to lie next to me

I wish I had the guts to walk away  
The thought of you alone makes me afraid  
You push me to my limit  
You are always forgiven  
I cut you off  
And tie us back  
I wish I had the guts to walk away  
The thought of you alone makes me afraid  
You push me to my limit  
You are always forgiven  
I cut you off  
And tie us back together

Starting to feel withdraws  
And i think they're gonna eat me alive  
Why do i want you at all?  
All the cold sweats and the hot nights  
Driving home to the west side  
All alone for the last time

But loving you  
Was a moment of weakness  
Can't believe i was nothing for you  
Holding onto the feelings and saying i mean it  
But feeling how can they be true?  
When I lie through your teeth  
Just to lie next to you

I wish I had the guts to walk away  
The thought of you alone makes me afraid  
You push me to my limit  
You are always forgiven  
I cut you off  
And tie us back  
I wish I had the guts to walk away  
The thought of you alone makes me afraid  
You push me to my limit  
You are always forgiven  
I cut you off  
And tie us back together

Keeping you here is trapping me  
In a prison with bars that you can walk between  
But its not enough just to leave

Everywhere I go I have to wipe every trace of you  
I'm replacing you

I wish I had the guts to walk away  
The thought of you alone makes me afraid  
You push me to my limit  
You are always forgiven  
I cut you off  
And tie us back  
I wish I had the guts to walk away  
The thought of you alone makes me afraid  
You push me to my limit  
You are always forgiven  
I cut you off  
And tie us back together

The guts to walk away  
Thought makes me afraid  
I cut you off  
And tie us back together
