

# The Heights

Thomston

There was a demon that I fed  
It smiled when I laid my head down  
And I'd like to think there's nothing left  
But we'll see, tonight  
I took my belongs to the ledge  
Threw it all over while I said  
This has no value now, I guess  
I learned to love you right

And oh, you thought I was weak  
But I get a kick out of proving you wrong  
(You're the voice in my head and I don't get a break)  
(I'd leave you for dead but I don't wanna wait)  
And oh, you like to believe  
You're a link in the chain that is tying me down  
(You're the voice in my head, you weren't even here)  
(And if I'm not scared you can't feed on my fear)

So if I fall, it'll be 'cause I jumped  
And if I jump it'll be because I'm reaching the heights  
The heights  
If I hit the wall, it'll be 'cause I ran  
And if I run it'll be because I don't wanna waste my time  
If I jump it'll be while I reach for the heights

(Na-na-na-na-na)  
(Na-na-na-na-na-na-na)  
(Na-na-na-na-na)

I don't like to drink, it makes it worse  
Yeah, I can't hold my liquor  
I like to think that praying works  
But all I hear is quiet  
And I see my belongings down below  
I see the dusk begin to settle  
I could have sold it all, you know  
But what's the price

And oh, you thought I was weak  
But I get a kick out of proving you wrong  
(You're the voice in my head and I don't get a break)  
(I'd leave you for dead but I don't wanna wait)  
And oh, you like to believe  
You're a link in the chain that is tying me down  
(You're the voice in my head, you weren't even here)  
(And if I'm not scared you can't feed on my fear)

So if I fall, it'll be 'cause I jumped  
And if I jump it'll be because I'm reaching the heights  
The heights  
If I hit the wall, it'll be 'cause I ran  
And if I run it'll be because I don't wanna waste my time  
If I jump it'll be while I reach for the heights

(Na-na-na-na-na)  
(Na-na-na-na-na-na-na)  
(Na-na-na-na-na)

If I jump it'll be while I reach for the heights  
(Na-na-na-na-na)  
(Na-na-na-na-na-na-na-na)  
(Na-na-na-na-na)  
If I jump it'll be while I reach for the heights
