

# Black Honey

Thrice

I keep swinging my hand through a swarm of bees 'cause I ...  
I want honey on my table  
I keep swinging my hand through a swarm of bees 'cause I ...  
I want honey on my table

But I never get it right  
no I never get it right

I keep swinging my hand through in swarm of bees  
I can't understand why they're stinging me  
But I'll do what I want, I'll do it what I please  
I'll do it again till I got what I need

I'll rip and smash through the hornet's nest  
Don't they understand I deserve the best  
And I'll do what I want, I'll do it what I please  
I'll do it again till I got what I need

I tried to stick this pin through a butterfly 'cause I ...  
I like all the pretty colors  
But it just fell apart so I flung it in the fire  
to burn with all the others

Cause I never get it right  
No, I never get it right

I keep swinging my hand through in swarm of bees  
I can't understand why they're stinging me  
But I'll do what I want, I'll do it what I please  
I'll do it again till I got what I need

I'll rip and smash through the hornet's nest  
Don't they understand I deserve the best  
And I'll do what I want, I'll do it what I please  
I'll do it again till I got what I need

And this time I'll get it right  
yeah this time I'll get it right  
It's gonna be this time I'll get it right  
Oh God let it be this time I get it right

So I'm cutting that branch off the cherry tree  
I'm singing this will be my victory then I...  
I see them coming after me

And they're following me across the sea  
And now they're stinging my friends and my family and I...  
I don't know why this is happening

But I'll do what I want, I'll do it what I please  
I'll do it again till I got what I need

I keep swinging my hand through a swarm of bees 'cause I ...  
I want honey on my table
