

Red Eyes

Throwing Muses

Two fists of roses
Red eyes
In spring time you come home
In spring time you come home

Joyride to seaside
Looking for the rain
You sweat like a bullet
I swear like a train

I can't begin to let you down

We hide in showers
Looking for the rain
I'm okay, I'm okay
I'm okay, I'm okay

You sing so quiet
I can't hear what you say
I'm okay, I'm okay
I'm okay, I'm okay

I can't begin to let you down

Meet me in the dark
Where it's good
And I don't have to move
Stop the car
When I tell you to

I think I have to go
Let you down low
Let you down

Going home in a honey tree
Looking for the rain
In spring time you come home
In spring time you come home

I can't begin to let you down
I can't begin to let you down
I can't begin to let you down
I can't begin to let you down
I can't begin to let you down
