

Drowning

Thy Disease

Attention seeking liars, seduced by your vanity
No real difference between an illusion or the clarity

Politicians speak the fears of the weak
Bankers speak the fears of the weak
Priests speak the fears of the weak
Terrorism speaks the fears of the weak

Media transmission, cluster bomb ignition
Opposition absent under fear and suspicion
Cloned into submission, fed on acquisition
Kept as willing slaves under the fear of rendition

Calculated genocide, asset stripping parasites
The men of god show you the way towards
An apathetic suicide - control of your mind
Calculated genocide, asset stripping parasites
An apathetic suicide - control of your mind

Attention seeking liars, seduced by your vanity
No real difference between an illusion or the clarity
Taught to be good, but torn apart by the disparity

Politicians speak the fears of the weak
Bankers speak the fears of the weak
Priests speak the fears of the weak
Terrorism speaks the fears of the weak
Poverty speaks the fears of the weak
Popularity speaks the fears of the weak
Insanity speaks the fears of the weak
Fear speaks the fears
