

If I lose myself

Tiffany Alvord

I stayed up at the sun
Thought of all the people,
places and things I've loved

I stayed up just to see
Of all the faces,
you are the one next to me

You can feel the light start to tremble
watching what you know out to see...
You can see your life out of the window,
tonight...

If I lose myself tonight
It'll be by your side
If I lose myself tonight...
wooh, wooh, wooh!

If I lose myself tonight
It'll be you and I...
Lose myself tonight

I woke up with the sun
Thought of all the people,
places and things I've loved

I woke up just to see
Of all the faces
you are the one next to me

You can feel the light start to tremble
watching what you know out to see...
You can see your life out of the window,
tonight...

If I lose myself tonight
It'll be by your side
If I lose myself tonight...
wooh, wooh, wooh!

If I lose myself tonight
It'll be you and I...
Lose myself tonight
whooooooooo...

Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...
Take us down and we keep trying
40 000 feet keep flying...

Lose myself

If I lose myself tonight...
Whoooooooooooo
