

## Restless Irritable & Discontent

Tilt

I need a drink, I need a spanking  
Restless, irritable, discontent

I wanna know why the people suffer  
I feel defeated I run for cover  
I gotta walk it I gotta live it

Restless, irritable, discontent

Oh no..I am starting to believe the advertisements  
(to survive?).. that it's messing with my judgement

When I look at my confusion, my disillusion and  
mutilation  
I get disgusted I...

Restless, irritable, discontent

I wanna know why we cant do better and then I wonder if  
it even matters  
I gotta walk it I gotta live it

Restless, irritable, discontent

Oh no..I am starting to believe the advertisements  
(to survive?).. that it's messing with my judgement

And this is all because... I am made to go insane on a  
killing spree  
I wear my orange coveralls and my beige green  
And my using...

Ohhhh

As I look out across the nation I am sick to death  
of....

I need a drink, I need a spanking  
Restless, irritable, discontent  
Restless, irritable, discontent
