

Helpless

Tim Buckley

I don't know why
You bring my sense alive
You know you look so foxy wise
You turn my head around

You know the talk around town
You do a funky rumba
You make an old man stop
You make a young man wonder

Come on and love me
Until I'm helpless
Come on and love me
Until I'm

Helpless, helpless
Helpless, helpless

Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway

Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway

I don't know why
You bring my sense alive
Come on and love me
Until I'm helpless
Come on and love me
Until I'm

Helpless, helpless
Helpless, helpless

Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway

Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin' 'cross the highway
Makin' love like a skin cat crawlin'
