

# Out of the Darkness

Tim Hughes

I could live a thousand years  
Never earn a moment of Your grace  
Even in my darkest day  
You shine on me  
You shine on me

And out of the darkness  
You brought me into Your glorious light  
Saved from the death I was facing  
Rejoicing in the future, a hope that is mine

The greatest of all gifts  
From the greatest of all givers  
Jesus there upon the cross  
True love displayed for all to see

And your grace runs after me  
Runs after me  
Everyday of my life  
And your mercies they never fail  
They never fail  
Everyday of my life
